

Distributor Agreement
Between IX-EL International GmbH/Katharina Spurling-Kaffl
And

RESEARCH ASSOCIATES DISTRIBUTOR AGREEMENT

- 1) To be eligible as a Research Associates Distributor we request that you:
 - a) Have completed at least one workshop with Slim Spurling, or sponsor one workshop within six (6) months of your distributorship;
 - b) Purchase a Distributor Kit with products worth Euro 5.000 (retail). You get 30 % discount on this order and all following.

- 2) You agree that you nor anyone in your company, will not promote or sell tools of Slim Spurling's technology that do not originate in Slim Spurling's shop.

- 3) To keep your status as a Distributor, your annual retail sales must be at least Euro 15,000 from your original start date.

- 4) Distributor Responsibilities:
 - a) Distributor agrees to keep records of name, email address (or address) and phone number of people who bought an Environmental or Agricultural Harmonizers, to be able to communicate directly with them. This will allow rapid communication with purchasers/owners of Harmonizers to encourage and forward the research with these units, and to track the status and effectiveness of the Harmonizer project.
 - b) Each Environmental Harmonizer and Agricultural Harmonizer must be sold with one of the following tapes or CD's:
 - i) Environmental Clearing
 - ii) King's Chamber Resonance
